Subject Wastewater Disposal Along Marine
View Drive and East 11th Street,
East of Hylebos Waterway

Date May 5, 1977

A survey of the above areas was made with the following findings concerning wastewater disposal. Information was obtained by personal contact with the property owners, dye testings, personal inspection and research of building permit cards. Where no contacts are shown, it can be assumed that the properties are either direct discharge or on septic tank, not connected to public sewer.
